Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a representative at 1-800-659-1986.

Understanding the Benefits

	The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit
	medicare.univerahealthcare.com or call 1-800-659-1986 to view a copy of the EOC. Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those
	services that you routinely see a doctor. Visit <u>medicare.univerahealthcare.com</u> or call 1-800-659-1986 to request a copy of the EOC.
	Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
	Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
	Review the formulary to make sure your drugs are covered.
de	rstanding Important Rules
	In addition to your monthly plan premium, you must continue to pay your Medicare Part B

Und

premium. This premium is normally taken out of your Social Security check each month.
Benefits, premiums and/or copayments/coinsurance may change on January 1, 2027.
Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory). Check the EOC for more information.

☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

Univera Healthcare contracts with the Federal Government and is an HMO plan with a Medicare contract. Enrollment in Univera Healthcare depends on contract renewal.
