Section 1 – Introduction

This directory booklet provides a list of Univera Healthcare’s network providers and pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage (EOC) and Univera® Medicare Group PPO’s formulary.

About Our Providers

Network providers are the doctors and other healthcare professionals, medical groups, hospitals and other healthcare facilities that have an agreement with us to provide covered services to members in our plans. Use this directory to find network providers available in your area and surrounding areas. The network providers are listed alphabetically by specialty under the county in which they are located. Many of the health care providers in our network join quality programs. The organization does not use quality measures, member experience measures, or cost related measures to select any of our practitioners or hospitals for participation in the network, this includes those treating our Marketplace members.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

Please Note: Providers accepting new patients are marked in the directory. You can also call the provider to see if they’re accepting new patients.

Appointment Wait Times

The appointment wait times that we expect our Primary Care Providers and Behavioral Services Providers to follow for our plans are:

Primary Care Provider: Routine & Preventive Visits - 4 weeks; Urgently Needed Care – within 24 hours; Emergency Care – 24 hours a day/7 days a week; Non-Urgent Sick Visit – 48 to 72 hours.

Behavioral Health Services Providers: Routine Visits – 10 business days; Urgently Needed Care – within 24 hours; Emergency Care – Immediate by phone/24 hours a day, 7 days a week; Routine Follow-up Visits – 7 calendar days/5 business days.

You may choose to receive your care from either in-network or out-of-network providers. We provide reimbursement for covered services regardless of whether they are provided in or out-of-network, as long as they are medically necessary. However, before getting services from out-of-network providers you may want to confirm with us that the services you are getting are covered services and are medically necessary. If we later determine that

the services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost. (Please note that we cannot pay a provider who has opted out of the Medicare program. Check with your out-of-network provider before receiving services to confirm that he or she accepts Medicare.)

Out-of-network providers are under no obligation to treat Univera Healthcare enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Care Service Department at 1-877-883-9577, Monday – Friday, 8:00 a.m. – 8:00 p.m. From October 1 – March 31, 8:00 a.m. – 8:00 p.m., seven days a week. TTY/TDD users should call 711. You may also refer to your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

While you don't need to get a referral when you receive care from in or out-of-network providers, prior authorization may be required to receive some services. For details on covered services that need prior authorization, please see your Evidence of Coverage (EOC). If you receive these services without prior authorization, you may be responsible for the charges.

Although it is not necessary to do so, you may choose a Primary Care Provider (PCP) who can help coordinate all your medical care. Look in the "Primary Care Provider" section of this directory to find the PCP's in your area. Generally, you will get your routine or basic care from your PCP. Your PCP will coordinate the rest of the covered services you need as well. This includes X-rays, laboratory tests, therapies, specialists, hospital admissions and follow-up care. Your PCP also contacts other plan providers for updates about your care and/or treatment. You may change your PCP for any reason, at any time. To change your PCP, call Customer Care. Women may also select a provider specializing in obstetrics/gynecology as well as a PCP.

About Our Pharmacies

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 7/9/2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Out-of-Network Provider Claims

In cases where out-of-network providers submit a bill directly to you, you should not pay the bill. Make a copy of the bill for your records and send the original to us for processing and determination of your responsibility for costs, if any.

Send the bill to: Univera Healthcare
Attn: Medicare Department
PO Box 211256
Eagan, MN 55121

How To Get After Hours Care

Your Doctor - You can call your doctor's office since your doctor knows your medical history and is the best person to help you. Your doctor may use an answering service or another doctor who is on-call to make sure you get the medical care you need. Your doctor can decide if you need treatment right away or if you can wait for regular office hours. **(If you have a medical emergency don't wait to talk to your doctor. Call 911 or go right to the Emergency Room.)**

24/7 Nurse Call Line - Our Nurse Call Line is available 24/7, 365 days a year so you can talk with an experienced registered nurse who's ready to help you on health-related questions about symptoms and care. **Call 1-800-348-9786 (TTY: 711) 24 hours a day, 7 days a week.**

Emergency and Urgent Care

Emergency Care

Emergency care can always be obtained in or out of the service area from the nearest available provider. **If you have a medical emergency, get medical help as quickly as possible. Call 911 or go to the nearest emergency room, hospital or urgent care center.** Please try to contact your physician about your emergency as soon as you can. Your physician will provide or help you arrange for the appropriate follow-up care.

You are covered worldwide for emergency care. A medical emergency is when you believe that your health is at serious risk. This can include sudden pain, a bad injury, a sudden illness or a medical condition that is quickly getting worse. For more information on emergency services, please see your Evidence of Coverage.

Urgently Needed Care

You are covered worldwide for urgently needed care. Urgently needed care refers to when you have a medical condition that requires attention but you do not expect or anticipate that your health is in serious danger. This can include an unforeseen illness, injury or medical condition.

With the exception of emergencies it may cost you more to get care from out-of-network providers.
