Section 1 – Introduction

This directory booklet provides a list of Univera Healthcare’s network providers and pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage (EOC) and Univera SeniorChoice® Group (HMO-POS)’s Formulary.

About Our Providers

Network providers are the doctors and other healthcare professionals, medical groups, hospitals and other healthcare facilities that have an agreement with us to provide covered services to members in our plans. Use this directory to find network providers available in your area and surrounding areas. The network providers are listed alphabetically by specialty under the county in which they are located. Many of the health care providers in our network join quality programs. The organization does not use quality measures, member experience measures, or cost related measures to select any of our practitioners or hospitals for participation in the network, this includes those treating our Marketplace members.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

Please Note: Providers accepting new patients are marked in the directory. You can also call the provider to see if they’re accepting new patients.

Appointment Wait Times

The appointment wait times that we expect our Primary Care Providers and Behavioral Services Providers to follow for our plans are:

Primary Care Provider: Routine & Preventive Visits - 4 weeks; Urgently Needed Care – within 24 hours; Emergency Care – 24 hours a day/7 days a week; Non-Urgent Sick Visit – 48 to 72 hours.

Behavioral Health Services Providers: Routine Visits – 10 business days; Urgently Needed Care – within 24 hours; Emergency Care – Immediate by phone/24 hours a day, 7 days a week; Routine Follow-up Visits – 7 calendar days/5 business days.

You will have to choose one of our network providers listed in this Directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. Look in the “Primary Care Provider” section of this directory to find the PCP’s in your area. Women may also select a provider specializing in obstetrics/gynecology as well as a PCP.

Your PCP will coordinate your covered services. This includes X-rays, laboratory tests, therapies, specialists, hospital admissions and follow-up care. Your PCP also contacts other plan providers for updates about your care and/or treatment. You may change your PCP for any reason, at any time. To change your PCP, call Customer Care.

Although you don't need to get a referral when you receive care from network providers, your physician may have to request approval in advance from Univera Healthcare before some types of services are provided. This is called "prior authorization." For details on the covered services that need prior authorization, please see your Evidence of Coverage. If you receive these services without a prior authorization, you may be responsible for the cost.

Your plan includes a Point-of-Service (POS) benefit that gives you the extra flexibility to receive some services from doctors, hospitals or other healthcare providers that are not in our provider network without having to pay the entire cost yourself. You will pay more when you use your POS benefit, except in limited cases such as out-of-network dialysis, emergency care or urgently needed care, or services when our network is not available. The POS benefit has a coverage limit per calendar year. Once your costs go above this limit, you will be responsible for 100% of the remaining costs for the out-of-network services. For more information, call Customer Care.

About Our Pharmacies

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 7/9/2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Out-of-Network Provider Claims

In cases where out-of-network providers submit a bill directly to you, you should not pay the bill. Make a copy of the bill for your records and send the original to us for processing and determination of your responsibility for costs, if any.

Send the bill to: Univera Healthcare
Attn: Medicare Department
PO Box 211256
Eagan, MN 55121

How To Get After Hours Care

Your Doctor - You can call your doctor's office since your doctor knows your medical history and is the best person to help you. Your doctor may use an answering service or another doctor who is on-call to make sure you get the medical care you need. Your doctor can decide if you need treatment right away or if you can wait for regular office hours. **(If you have a medical emergency don't wait to talk to your doctor. Call 911 or go right to the Emergency Room.)**

24/7 Nurse Call Line - Our Nurse Call Line is available 24/7, 365 days a year so you can talk with an experienced registered nurse who's ready to help you on health-related questions about symptoms and care. **Call 1-800-348-9786 (TTY: 711) 24 hours a day, 7 days a week.**

Emergency and Urgent Care

Emergency Care

Emergency care can always be obtained in or out of the service area from the nearest available provider. **If you have a medical emergency, get medical help as quickly as possible. Call 911 or go to the nearest emergency room, hospital or urgent care center.** You don't need to get approval first from your doctor or other network provider. However, please try to contact your physician about your emergency as soon as you can. Your physician will provide or help you arrange for the appropriate follow-up care.

You are covered worldwide for emergency care. A medical emergency is when you believe that your health is at serious risk. This can include sudden pain, a bad injury, a sudden illness or a medical condition that is quickly getting worse. For more information on emergency services, please see your Evidence of Coverage.

Urgently Needed Care

You are covered worldwide for urgently needed care. Urgently needed care refers to when you have a medical condition that requires attention but you do not expect or anticipate that your health is in serious danger. This can include an unforeseen illness, injury or medical condition.

When in the service area, you must use our network providers for urgent care. When out of the service area, urgent care can be obtained from the first available provider. Urgently needed care is covered out-of-network when you are temporarily away from your authorized service area (not in your hometown area) and it is not reasonable to get medical care from a provider who is in our network.

With the exception of emergencies, it may cost you more to get care from out-of-network providers.

In addition, when out of the service area you can get dialysis treatment from a qualified dialysis provider.

Mail Order Pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. To opt out of the automatic refill program, please contact the home delivery pharmacy you use to fill prescriptions, either Express Scripts Pharmacy or Wegmans Home Delivery Pharmacy.

If you choose not to use the auto-refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs from 5 to 10 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-877-883-9577 (TTY: 711) Monday - Friday, 8 a.m. - 8 p.m. From October 1 - March 31, 8 a.m. - 8 p.m., 7 days a week.
